## Time Line of Incident

July 28, 2018

Over the Course of the Weekend, an Inmate at GREEN HAVEN CORR. FAC., allegedly assaulted and hospitalized two Corrections Officers.

July 30, 2018

Green Haven Corr. Fac. was Locked Down.

August 1, 2018

I, TYRONE HAYWOOD #09A2545, was being housed in F-block on Three Company, in cell # 317. (F-3-317). At approximately 8:00, all of the Water was turned off on an excessive amount of Correction officers entered the gallery and began to Search each cell, starting from the front of the tier. Each inmate was told to strip down to their underwear and had to walk in their Shower Slippers, to the back of the tier holding their mattress and Pillow.

BEFORE, my cell was searched, I informed Sergeant Funk (Michael D.) that the under wear I was wearing may not be appropriate to wear considering the fact that my cell was to be searched by a female officer (Torres, Badge # 58498) and Several other female officer(s) were present during this search. Sgt. Funk informed me that it would be "OK", to wear sweat pants over my under wear and told me to inform the officers of such when the time came to have my cell searched, which I did.

The officers that I relayed this information to, said that they had to check with "WALLY", and began seeking the whereabouts of a person known to me as Sgt. "BLDT" (Michael, Jr.) which comes to my cell and orders me to "turn around", which I did. I am then handcuffed and removed from my cell. Sgt. Blot says to me: "you don't make the rules, I do" and directs two officers to take me away, while he began to whisper to Sergeant WAHLQUIST (Robert A.).

I am then led down the stairs in slippers and pushed down the last six steps from the bottom, causing extreme pain to a previous injury of my knee and back, when I attempted to regain my balance and stop my face from hitting the floor. Sgt. Wahlquist comes downstairs and gets up in my face and says: "So you think you're a goddamn Lawyer, huh?". Well, I'm gonna teach you to keep your smartass, mouth shut and do as you're told."

I am then led down the hallway by two officers with Sgt. Wahlquist in tow. An unidentified, white male which looked to be in his early 50's, comes running out of F-block, down the hall, screaming something to the effect of: Wait! or hold up!. This OSI from Albany, catches up with us and demanded to know where I was being taken and when no answer was provided he became relentless about accompanying me even though Sgt. Wahlquist protested against this and got up in the OSI face and told him: I don't care if you use to be a corrections officer, stay out of my way!

I am next led towards "E" block and told to look at the wall, while the OSI and Sgt. Wahlquist proceeded ahead. The white officer of the Pair pushes my head into the wall and says: Eyes forward. When I looked at him the Hispanic looking officer tightens the handcuffs and pushes me forward while his partner grabbed me around the neck with one hand and used the other to thrust my face into the wall again. Oddly enough, Both officers, DO NOT WEAR NAME TAGS.

I am then led to the "Visiting Search Room", and taken inside one of the empty rooms and told by the Hispanic looking officer to strip, while his partner stands in front of the entrance and the OSI is being held at the door, which Sgt. Wahlquist is using his body to block entry. The hispanic officer orders me to face the wall, and pass my clothing back to him, which I did. I am ordered to pick up my feet and wiggle my toes, which I did. Next I am Ordered to Bend Over and Spread my cheeks, which I did.

The Officer took his index finger and thrust it up my Anus and when I turned around and asked him: what the hell are you doing? he Smirks at me and says: "I thought I seen something". He orders me to "Lift my Penis" which I did, he then forcefully grabs my penis and tugs on it and says: "NO, I mean lift it all the way up" and when I Objected, he began to punch me repeatedly in the face and Chest area and would have maced me had the OSI not intervened.

I am told to get dressed and refused to put my hands behind my back as I was concerned that these officers would attempt to attack me again and I would be defenseless. I am told to put my hands inside my Pants, which I did. Sgt. Wattquist makes a call and tells me that I'm going to "H" block, where I was placed in cell # 128. I did not receive a mattress, towel, toilet paper etc. until days later.

The water in the Cell was turned off and not turned on until I Spoke with an area Sergeant days later. As the Search Continued, other inmates were brought from other blocks, Particularly Joseph Espada (17A4788) Which was on the very same company as me (F-3-332) and placed in the Cell next to me (129) for the very same issue pertaining to his underwear. he was Led through the hallway in nothing but his boxers by Sgt. Blot and denied his daily medication.

C.D. Vasquez Comes to my cell and informs me, Mr Espada and everyone else that a weapon was found in all of our Cells and that were "SHU" status. Two OSI from Albany was walking the tier and I informed them of what took place. They took me and Mr Espada information and informed us that they would be in touch Sometime Soon.

August 5, 2018

They returned on Sunday and asked us: did you receive Your property?, to which we responded "NO". They told us they would talk to somebody and later on that day, Myself and Mr Espada were informed that we are no longer keep-locked because a "Misbehavior Report" was never filed and later that night, we were provided with our Property, which is completely destroyed and/or missing.

August 6, 2018

Myself and Mr. Espada are informed that we cannot go to industry or we would be deemed "Out of Place" after we are confronted by the unidentified Hispanic Officer, which is standing in the H-block corridor. C.O. Vasquez then informs me that I am keep-locked and unable to leave my cell until my I.D. is returned. according to him they can't find it.

August 8, 2018

My I.D. is returned back to me after I informed a Lieutenant of my Circumstances.

August 9, 2018

I went to the Yard and was escorted from the Yard to the Clinic because the OSI (s) from Albany filed a "PREA" Complaint on my behalf. I am interviewed by a male nurse and taken back to H-block. My Supervisor at Industry has informed me that he called the block on my behalf and was informed that I am still keep-locked and unable to go to work.

August 14, 2018

I went to see OSI Lopez, which made an incident report and was told by C.O. Vasquez that I would be moved back to H-block Tomorrow.

September

I was interviewed by the Mental Health Dept. and was told that they scheduled me for a call-out but somehow could not locate me.

November

I have encountered all of the officers mentioned within, which do not seem pleased with me. One tried to talk to me and when I declined and requested his name, he simply walked away. I am in the process of getting the two officers names that assaulted me as they still do not wear name tags and no one seems to know their names. I have yet to hear back from OSI Lopez and will not wait any longer to file my claim. In the event that these officers attempt to plant a weapon in my cell, which would have been the case if the OSI(s) from Albany did not intervene.
